

Garmin Communicator Plugin paigaldamine ja Garmin LMU koodi aktiveerimine.

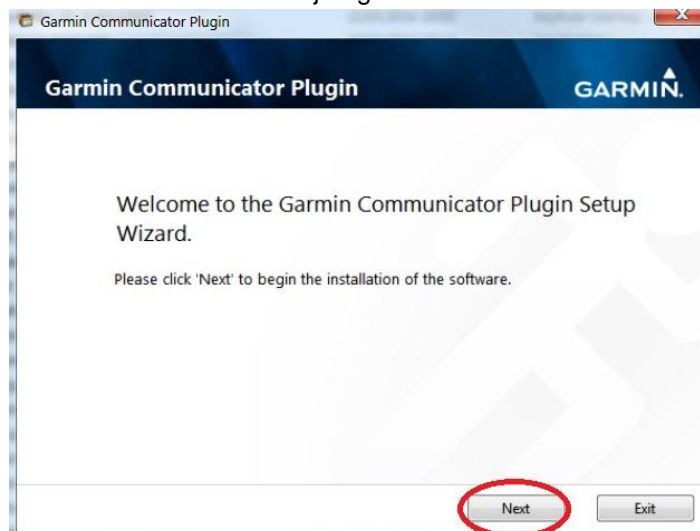

1. Paigaldage Garmin Communicator Plugin, kui veel ei ole. Kui sellega on korras jätkka punktist 7. <http://software.garmin.com/en-GB/gcp.html>

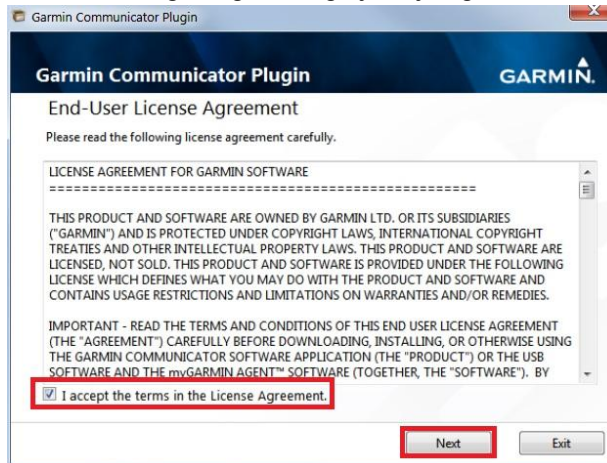

2. Valige oma OS süsteemile vastav versioon ja laadige plugin alla.

3. Sulgege oma veebilehitseja ja käivitage oma allalaadimiskaustas CommunicatorPlugin_420.exe
4. Vajutage "Next"

5. Nõustuge tingimustega ja vajutage "Next"

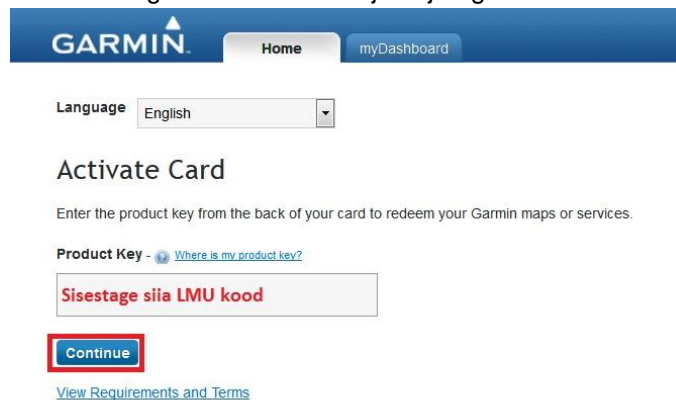

6. Kui programm lõpetab paigaldamise vajutage "Exit"

7. Avage veebilehitsejas aadress:

<https://my.garmin.com/mygarmin/ActivationLogin.htm>

Sisestage oma LMU kood ja vajutage "Continue"

8. Valige nimekirjast oma seade.
